

EBENSBURG AND CRESSON RAILROAD.—On and after April 25, 1899, trains on this road will run as follows:

LEAVE EBENSBURG.—At 7.40 A. M., connecting with Philadelphia and Pittsburgh Express West, and Southern Express East. At 7.10 P. M., connecting with Mail Train West and Philadelphia Express East. LEAVE CRESSON.—At 9.30 A. M., on departure of Pittsburgh Express West. At 8.31 P. M., on departure of Mail Train West.

ANOTHER HOMICIDE.—On Tuesday evening, Lewis Holtzner stabbed Philip Phalon at Fry's sawmill, Susquehanna township. The latter died almost instantly. As we go to press, we have not learned the cause of the quarrel nor full particulars of the sad occurrence. Holtzner is a York county man, and came to this section about two months ago. Phalon is a native of this county. Both parties were employed on Fry's sawmill.

MEMORANDA.—John Murray, Esq., of Pittsburgh, was in town several days last week. Over forty years ago Mr. M. was a resident of Ebensburg, when and where he published, for a period of three years, the Cambria Gazette newspaper, the second newspaper printed in Cambria county. Rain has fallen on forty-five of the last sixty days. One day last week, we saw two baskets of fine trout brought to town, each basket containing about five dozen. Piscators can find a first-rate field for the exercise of their art hereabouts. Harvest has commenced. It is thought the grass crop was never better than this season. Our borough authorities have lately been making some needed improvements on the crossings of streets and alleys. A wide field of labor is before them. Mr. Thomas Menoher, of Fairfield township, Westmoreland county, committed suicide by hanging on the 21st ult. He was of weak mind—rich—wanted to marry some woman—his brothers and friends, who desired to secure his property, frustrated his desire—hence the melancholy result. The soldiers of the war of 1812 held a meeting in Indiana on the 5th instant, and passed a series of resolutions complaining of the failure of the Government thus far to grant them such proper recognition of their services, in the shape of pensions, as they deserve. The old men, many of them poor and pauper, and rapidly going down to the grave, and it were indeed a slight service to render them in their declining years the bounty of the Government for which they fought in their youth. E. A. Gibbons has received the contract to carry the mails to and from Loreto and points north. One Iseberg foreman in a furniture manufactory at Huntingdon, struck his hand against a revolving circular saw on the 3d and had three of his fingers cut off. A Hollidaysburg colored base ball club and a Huntingdon ditto played a match game at the latter place on the 5th. Hollidaysburgers victorious. Frank Fogel cut David Sellers, in Hollidaysburg, on Wednesday of last week, seriously injuring him. Mr. Wm. C. McCormick, a respected citizen of Altoona, died on the 3d inst. A 13 year old daughter of G. Miller, of Huntingdon, died on the 30th ult., from eating cherries, stones and all. Saturday night, July the 10th, a man named Johnson, from New York, got into a difficulty with Levi Ennis, in Phillipsburg, Centre county, which resulted in the former stabbing the latter in the abdomen, causing death in twelve hours. Johnson was sent to Bellefonte jail to await trial. On Thursday last, the house of Mr. John Brook, in Jenner township, Somerset county, was struck by lightning, and a young girl named Fishour was instantly killed. The deceased, a girl about fourteen years of age, whose parents live in Fordstown, was walking to Jennersville, and seeing the storm approach, sought shelter at Mr. Brook's, and was sitting with the family on the porch, when she was killed. None of the members of Mr. Brook's family were injured, although sitting close by the unfortunate girl, and the damage done to the house was but slight. The abutment at the west end of Pine Run bridge, West Penn. Railroad, fell on the 3d inst. No damage done to trains. A black snake seven feet long was killed by Edward Owens on his farm, in Cambria township, the other day. A large deer was seen eating the pike about two miles west of town, one day last week. The dwelling house of Mr. John Stouffer, Derry township, Westmoreland county, with its contents was destroyed by fire on the night of the 12th inst. Less \$1,100. A school-house in the immediate neighborhood of Mr. Stouffer's house was burned down a few nights before. Why cannot Ebensburg have a soldiers' monument? A fellow who gave his name as George Snyder attempted to outrage a thirteen-year-old girl in Westmoreland county one day last

week, but was prevented by the timely appearance of her father. He was arrested, but afterwards escaped from the custody of the officer. The "immortal J. N." has gone to farming in Ohio. A little son of William Thompson, near Oakland Cross Roads, Westmoreland county, aged about thirteen years, was struck on the head by a vicious horse a few days since, and was so severely injured that he survived but a few hours. Andrew Gilkey, of Westmoreland county, and aged about seventy-two years, was killed by a passing train, on the Connelville railroad, a few days since. J. E. Lemoine and J. M. Newman, the Clearfield bank robbers, have been sentenced to four years imprisonment in the penitentiary. John Nelson alias Jack Wilson, having turned states' evidence, a *nolle prosequi* was entered on his case. A valuable colt belonging to Mr. Samuel Foust, in Henderson township, was killed a few days ago, while attempting to jump a fence into a pasture field. It fell backwards and broke its neck. Johnstone has three telegraph offices. On Tuesday morning, as Mrs. Carney, wife of Farnes G. Carney, of Granville township, Milford county, was about to make up the bed in the morning, she found a large snake on the bed rail. It was a house-snake and escaped without being killed. A terrific storm passed over this section last Friday, blowing off roofs, down fences, and away trees. Considerable damage was also done to the growing crops. Raspberries ten cents per quart. The Blair County Agricultural Society will hold a fair the coming fall. A German named A. Warnstead, residing about two miles from Altoona, committed suicide by hanging, a few days since. Huntingdon has a burglar and two. John Wagner, an employe at Dull's paper mill, McVeytown, had one of his arms crushed by its becoming entangled in the machinery, on the 1st inst. Mortification set in, and the man died six days after.

BURGLARY IN LORETO.—On Sunday night last, during the continuance of a heavy rainstorm, two stores were broken into in Loreto by burglars. The first was that of Mr. Wm. Litzinger, whose safe was blown open by gunpowder, and \$25 in money and four watches, one a gold one worth \$100, and the other three silver ones, abstracted therefrom. The next store visited was Mr. Patrick Shields'. Here the safe was also blown open by gunpowder. Fortunately the family of Mr. Felix Beck, living close by, were aroused from their sleep by the report, and gave the alarm. The burglars, subsequently decamped, and have not yet been discovered, though violent suspicions are entertained of the guilt of certain parties who had been prowling around that neighborhood not long before. In Mr. Shields' safe was the sum of \$1,700, which the burglars in their precipitate haste forgot to take with them.

DOINGS OF THE STORM KING.—A Huntingdon dispatch dated July 16th, says: A terrific storm raged here yesterday afternoon. Two men, named Barney Farrell and Cornelius Day, whilst sitting under a chute at a coal wharf, a mile from town, were stunned by lightning, and falling forward into the canal were drowned. During the storm a smoke house in the eastern and a stable in the western part of the town were struck by the lightning. A telegraph pole was also struck and the flash entered the office of the Western line, but did no damage.

PROPOSED NEW RAILROAD SCHEDULE.—It is said that it is in contemplation to run a third train on the E. and C. R. R. It will leave here about noon-time, connect with the mail train at Cresson, and return about 3 o'clock. This new arrangement, if put into effect, would prove a very great convenience, not only to our own citizens, but to persons living at Lilly, Summerhill, Wilmore, and many other points west of Cresson. It would also bring our local western mail about seven hours earlier than by the present arrangement.

NEW JAIL.—In accordance with the presentments of two Grand Jurors, the Commissioners of Cambria co. have decided to replace the present wretched substitute for a jail in this place with a new one. We understand the sum of \$49,000 has been appropriated for that purpose. Messrs. John Ferguson and John Kennedy, two of the Commissioners, started on Tuesday morning on a tour to examine the Bellefonte and other model jails before deciding definitely on a plan for the proposed edifice.

BASE BALL.—The return game of base ball between the Kicks of Johnstone and the Mountaineers of Ebensburg will come off on the grounds of the latter club on Monday next, 26th inst. The Kicks are a gentlemanly set of fellows and play a superior game. They will be welcomed by their hosts of friends here.

THE POLITICAL CAMPAIGN.—Eds. Alleg.—What is the reason your Co. Convention does not meet? Don't you intend making nominations? The harvest is nearly past, the summer will soon be ended, and you ought to have your ticket in the field—if you propose putting one in.

IF you nominate good men for Register and Recorder, Treasurer, County Commissioner, Poor House Director, and Auditor, you may possibly elect them. There is no denying the fact there is widespread dissatisfaction with these nominees in our party. Some say the dissatisfaction is by reason that many Democrats wanted the offices named themselves, but I do not know that.

Kennedy, of Washington township, will not resign, notwithstanding the fact that he makes the second candidate on the ticket taken from that township. Neither would I!

I understand that the parties who favored and continue to favor the proposed new system of apportioning delegates to conventions talk of making themselves heard at the election as against those who so summarily and violently checkmated them in the late convention.

More anon. OBSERVER.

A ROW.—A big fight occurred in Johnstone on Tuesday. The result, in addition to several black eyes and bloody noses, was the binding over of three or four parties to appear at the next term of Court, and the incarceration of yet another party in jail in default of the requisite bail.

STRUCK BY LIGHTNING.—The dwelling house of Mr. A. Stoltz, in Carrolltown, was struck by lightning one day last week. The electric fluid entered at the chimney and made its way generally throughout the house, but did no particular damage to property and none to person.

NOTICE.—Those indebted to this office for advertising, subscription, or job work, are earnestly requested to call and settle their respective accounts for the present volume. We will call on many of our debtors and trust they will be prepared to pay the amounts due us.

THE attention of the reader is directed to the card elsewhere in this paper of Messrs. Bush, Miller & Co., tobacco and cigar manufacturers, Philada. Our merchants will find their goods to be of a superior quality. Try them.

MARRIED.—On the 4th inst., at Auburn, Kansas, by the Rev. Jesse Brockway, Mr. J. M. Harr, of Topeka, Kansas, (formerly of Ebensburg,) to Miss Eugenie Eagle, of Auburn.

WAKE UP.—Our local correspondents have failed to come to time for the past two weeks. We hope they will wake up and visit us next week and regularly thereafter.

OUR TELEGRAPH.—We learn that the material for the proposed line of telegraph hence to Cresson has arrived at the latter place. Work will probably be commenced on the line in a few days.

IT is an old saying that the best is always the cheapest. This is more important with groceries than anything else, and it always should be remembered that Oatman keeps none but the best groceries and the cheapest. He has also succeeded in establishing a flour trade that would be a credit to a wholesale house. Nine families out of every ten buy their flour at Oatman's. It is a fact. Nobody denies it. The secret is this: he has secured the best brand in the market, and then again he sells it at a trifle above cost. Is it not just such an article that when once used is bound to commend itself to patrons? Try it, and don't forget that Oatman's cheap store is the place to buy it.

FURNITURE ROOM.—Messrs. H. A. Shoemaker & Co. have greatly enlarged their Furniture ware room as well as their store, and are now better prepared to meet the demands of the public. Their assortment is the largest in town, and in fact the only well regulated establishment of the kind in the north of the county. You that are in need of furniture will find no better place to buy.

AMONG the most enterprising business men in town is our merchant friend V. S. Barker, who, it is acknowledged by all keeps the best assortment of clothing in town. Not this alone makes it an object to buy from him, but the extremely low prices at which he is offering his goods to the public. See.

IF you want ladies', misses', children's, men's, or boys' shoes, go to the cheap store of Messrs. A. A. Barker & Son, High street, Ebensburg. They are selling wonderfully low and everybody should take advantage of these liberal inducements.

CLOTHING.—The clothing establishment of Leopold & Bro., in Johnstone, is universally acknowledged the most complete clothing emporium in the county. Besides having the best goods, their prices are decidedly the lowest in the market.

FRY, AHEAD.—Fry, the popular merchant, is ahead of all competitors for selling cheap. It's a fact. Everybody says so, and what everybody says must be true. Go and see for yourself.

BUY your fruit cases at Huntley's if you want the best and add the cheapest in town. His stock is large and comprises all the different kinds manufactured. Everybody can be supplied.

THE CIRCUS.—While many will be going to the circus on Monday, many will be going to Johnstone to attend the big sale of cheap goods at L. Mayer's New York store. Mr. Mayer, assisted by some half dozen clerks, will be able to do all his advertising—sell cheaper, better and more goods than any other store in Johnstone. Everybody should attend these sales, which open every Monday morning and continue throughout the week.

TINWARE EMPORIUM.—Reader, if you are not now in need of tinware, it is possible that in a short time you will be called upon to make a purchase, and in order that you may know where to get the article to the best advantage should receive your attention. We know of no place where better tinware is made than that by T. W. Williams, who manufactures all of his stock and from none but the best tin. As regards prices he is able to sell as low as the lowest.

EAST WARD.—Ho! attention, everybody. Whereas, that is to say just at present, it becomes necessary to inform the public that in case they need cheap goods, which of course they do, that R. R. Davis is determined to sell his goods for almost cost, and invite those wanting bargains to give him a call before going elsewhere.

PRICES GOING DOWN AT THE EBENSBURG HARDWARE & HOUSE FURNISHING STORE. I once more return my sincere thanks to my old friends and customers for their liberal patronage extended towards me, and now, owing to the great fall in prices, by which many articles can be sold as cheap as before the war, and having a thorough knowledge of the business and the wants of the public, I take pleasure in announcing that I can and will sell goods at a less figure than any similar establishment in city or country. My stock will consist in part as follows: DOOR AND SHUTTER LOCKS, CATCHES, BOLTS, HINGES, SCREWS, WINDOW SPRINGS, SHUTTER HINGES, WINDOW GLASS, NAILS, PUTTY, BORING MACHINES, AUGERS, CHISELS, BLACES AND BITS, HATCHETS, SQUARES, COMPASSES, TRY SQUARES, BEVELS, POCKET RULES, JACK, SMOOTHING, AND FOR PLANES, PANEL PLOWS, LEVELS, SASH, RAISING, AND MATCH PLANES, SAW SETS, BENCH SCREWS, CROSS-CUT, PANEL, RIP, COMPASS, AND BACK SAWS. HOOFLAND'S GERMAN BITTERS AND HOOFLAND'S GERMAN TONIC. The Great Remedies for all Diseases of the Liver, Stomach or Digestive Organs. HOOFLAND'S GERMAN BITTERS is composed of the purest juices (or, as they are medicinally termed, Extracts) of Roots, Herbs, and Barks, making a preparation, highly concentrated, and entirely free from alcoholic admixture of any kind. HOOFLAND'S GERMAN TONIC is a combination of all the ingredients of the Bitters, with the purest quality of Santa Cruz Rum, Orange, &c., making one of the most pleasant, agreeable remedies ever offered to the public. Those preferring a Medicine free from Alcoholic admixture, will use HOOFLAND'S GERMAN BITTERS. Those who have no objection to the combination of the Bitters as stated, will use HOOFLAND'S GERMAN TONIC. They are both equally good, and contain the same medicinal virtues, the choice between the two being a mere matter of taste, the Tonic being the most palatable. The stomach, from a variety of causes such as Indigestion, Dyspepsia, Nervous Debility, etc., is very apt to have its functions deranged. The Liver, sympathizing as closely as it does with the Stomach then becomes affected, the result of which is that the patient suffers from several or more of the following diseases: Constipation, Flatulence, Lardered Piles, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or fluttering at the pit of the Stomach, Swimming of the Head, Hurried or Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a lying position, Dimness of vision, Dots or webs before the sight, dull pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, etc., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginations of Evil, and great depression of Spirits. The sufferer from these diseases should exercise the greatest caution in the selection of a remedy for his case, purchasing only that which he is assured from his investigations and inquiries, possesses true merit, is skilfully compounded, is free from injurious ingredients, and established for itself a reputation for the cure of these diseases. In this connection we would submit those well-known remedies—Hooft's German Bitters, and Hooft's German Tonic, prepared by DR. C. M. JACKSON, PHILADELPHIA, PA. Thirty-five years since they were first introduced into this country from Germany, during which time they have undoubtedly performed more cures, and benefited suffering humanity to a greater extent, than any other remedies known to the public. These remedies will effectually cure Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, Chronic Diarrhea, Disease of the Kidneys, and all diseases arising from a disordered Liver, Stomach or Intestines. DEBILITY RESULTING FROM ANY CAUSE whatever; Prostration of the System, induced by Severe Labor, Hardships, Exposure, Fever, &c. There is no medicine extant equal to these remedies in such cases. A tone and vigor is imparted to the whole system, the appetite is strengthened, food is enjoyed, the stomach digests properly, the blood is purified, the complexion becomes rosy and healthy, the yellow tinge is eradicated from the eyes, a bloom is given to the cheeks, and the weak and nervous invalid becomes a strong and healthy being. PERSONS ADVANCED IN LIFE. And feeling the hand of time weighing heavily upon them, with all its attendant ills, will find in the use of this Bitters, or the Tonic, an elixir that will until new life into their veins, restore in a measure the energy and ardor of more youthful days, build up their shrunken forms, and give health and happiness to their remaining years. NOTICE! It is a well established fact that fully one-half of the female portion of our population are seldom in the enjoyment of good health, or, to use their own expression, "never feel well." They are languid, devoid of all energy, extremely nervous, and have no appetite. To this class of persons the Bitters, or the Tonic, is especially recommended. WEAK AND DELICATE CHILDREN Are made strong by the use of either of these remedies. They will cure every case of MARASMS, without fail. Thousands of certificates have accumulated in the hands of the proprietor, but space will allow of the publication of but a few.—Those, it will be observed, are from men of note, and of such standing that they must be believed. TESTIMONIALS. Hon. Geo. W. Woodward, Chief Justice of the Supreme Court of Pa., writes:—Philadelphia, March 16, 1887.—"I find Hooft's German Bitters is a good tonic, useful in diseases of the digestive organs, and of great benefit in cases of debility, and want of nervous action in the system. "Yours, truly, Geo. W. Woodward." Hon. James Thompson, Judge of the Supreme Court of Pennsylvania. PHILADELPHIA, April 28, 1866. "I consider Hooft's German Bitters a valuable medicine in case of attacks of indigestion or Dyspepsia. I can certify this from my experience of it. Yours, &c. "JAMES THOMPSON." From Rev. Joseph Kennard, D. D., Pastor of the Tenth Baptist Church, Philadelphia. Dr. Jackson—Dear Sir: I have been frequently requested to connect my name with recommendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a few clear proofs in various instances, and particularly in my own family of the use of Dr. Hooft's German Bitters, I depart for once from my usual course, to express my full conviction that, for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail; but usually, I don't deny, it will be very beneficial to those who suffer from the above causes. Yours, very respectfully, "J. H. KENNARD." CAUTION. Hooft's German Remedies are counterfeited. See that the signature of C. M. JACKSON is on the wrapper of each bottle. All others are counterfeits. Principal Office, and Manufactory at the German Medicine Store, No. 63: ARCH-ST., Philadelphia, Pa. CHARLES M. JACKSON, Proprietor. Formerly C. M. JACKSON & Co.
