HOOFLAND'S GERMAN BITTERS AND HOOFLAND'S GERMAN TONIC. The Great Remedy for all Diseases of the Liver, Stomach or Digestive Organs. HOOFLAND'S GERMAN BITTERS is composed of the pure juices (or, as they are medicinally termed, Extracts) of Roots, Herbs, and Bark, &c., making a preparation, highly concentrated, and entirely free from alcoholic admixture of any kind. HOOFLAND'S GERMAN TONIC is a combination of all the ingredients of the Bitters, with the purest quality of Santa Cruz Rum, Orange, &c., making one of the most pleasant, agreeable remedies ever offered to the public.

Those preferring a Medicine free from Alcoholic admixture, will use HOOFLAND'S GERMAN BITTERS. Those who have no objection to the combination of the Bitters, as stated, will use HOOFLAND'S GERMAN TONIC. They are both equally good, and contain the same medicinal virtues, the difference between the two being a mere matter of taste, the Tonic being the most palatable. The stomach, from a variety of causes such as Indigestion, Dyspepsia, Nervous Debility, etc., is very apt to have its functions deranged. The Liver, sympathizing as closely as it does with the Stomach, in this way, becomes affected, the result of which is that the patient suffers from several or more of the following diseases: Constipation, Flatulence, Inward Pile, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disturbance of Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or fluttering at the pit of the Stomach, Swimming of the Head, Buried or Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a lying posture, Dimness of vision, Dots or webs before the sight, dull pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, etc., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginations of Evil, and great depression of Spirits.

There is no medicine extant equal to these remedies in such cases. A tone and vigor is imparted to the whole system, the appetite is strengthened, food is enjoyed, the stomach digests properly, the blood is purified, the complexion becomes sound and healthy, the yellow tinge is eradicated from the eyes, a bloom is given to the cheeks, and the weak and nervous invalid becomes a strong and healthy being. PERSONS ADVANCED IN LIFE. And feeling the hand of time weighing heavily upon them, with all its attendant ills, will find in the use of this Bitters, or the Tonic, an elixir that will instill new life and their veins, restore in a measure the energy and ardor of more youthful days, build up their shrunken forms, and give health and happiness to their remaining years.

TESTIMONIALS: Hon. Geo. W. Woodward, Chief Justice of the Supreme Court of Pa., writes: Philadelphia, March 16, 1867.—I find Hooftland's German Bitters is a good tonic, useful in diseases of the digestive organs, and of great benefit in cases of debility, and want of nervous action in the system. 'Yours, truly, Geo. W. Woodward.' Hon. James Thompson, Judge of the Supreme Court of Pennsylvania. PHILADELPHIA, April 28, 1866. 'I consider Hooftland's German Bitters a valuable medicine in cases of attacks of indigestion or Dyspepsia. I can certify this from my experience of it. Yours, &c. 'JAMES THOMPSON.' From Rev. Joseph Kennard, D. D., Pastor of the Tenth Baptist Church, Philadelphia. Dr. Jackson—Dear Sir: I have been frequently requested to connect my name with recommendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my own family of the use of Dr. Hooftland's German Bitters, I depart for one from my usual course, to express my full conviction that, for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above causes. Yours, very respectfully, 'J. H. KENNARD.'
