1. Entries may be made at any time before the Fair, by addressing the Secretary; and it is earnestly requested that all who can do so will make their entries the week before the Fair.  
 2. Parties making entries by letter must give full particulars, if of stock, as to name and age, (and if thoroughbred) pedigree.  
 3. Entries must be made before Wednesday noon. At 12 M the books will be closed, and no more entries will be made.  
 4. Exhibitors will receive a card for each article entered, designating the class and entry which must be attached to the article. No animal without a card attached can be in the stalls without the consent of the Superintendent in charge of the Stock Department. Nor can the Society assure any exhibitor who neglects this requirement that they will be passed upon by the Judges. In justice to those who comply with the rules of the Society, they shall in all cases first receive attention.  
 5. Articles entered for exhibition must not be removed before two o'clock of Thursday. A violation of this rule will forfeit any premium which may have been awarded the article or animal prematurely removed.  
 6. Persons wishing to exhibit articles or animals for which no premiums are offered are cordially invited to do so. All meritorious exhibitions thus made will receive such premiums as a Special Committee may award and the Executive Committee approve.  
 7. No single animal or article shall, as such, receive more than one premium—provided that an animal or article which has been awarded a single premium may also form part of a herd or collection to which a premium is awarded.  
 8. The Society will furnish hay and straw free of charge, and watchmen will be upon the ground both day and night to care for and attend to the feeding of the stock; but persons exhibiting large numbers of stock may, if they desire, each send therewith an attendant, who will be furnished with a pass upon application by the owner to the President.  
 9. No premiums will be awarded to Musical Instruments or Sewing Machines, but exhibitors will be furnished with ample room and facilities for display upon application to the Secretary.  
 10. The Executive Committee may revise the premiums awarded at any regularly called meeting, and, at its discretion, alter, amend, or reverse the award of the Judges.  
 11. All animals in classes 1, 2 and 4, must be exhibited at their posts at the hour fixed hereof, of which due notice will be given from the Judges' Stand. Those not at their posts will not be examined by the Judges.

12. All animals in class 3 must be shown on the Track, at an hour to be fixed, from the Judges' Stand. Those not so exhibited will not be examined.  
 13. Premiums not called for within 60 days after the Fair will be considered as having been donated to the Society.  
 14. Betting and wagering upon the Society Grounds are strictly forbidden.  
 15. No charge will be made for entering animals or articles for exhibition—such exhibition being absolutely free to the world.  
 16. Exhibitors may attach cards indicating that the article or animal is for sale.

**THE PREMIUM BOOT & SHOE MANUFACTORY!**  
 It is a fact conceded by all that  
**JOHN POWERS**

cannot be excelled in Centre county, as a Boot & Shoe maker. For five years, or as often as he has deemed it proper to compete, he has drawn the premium on his work, and received handsome diplomas at our County Fairs. There are no goods in the way of Ladies', Misses and Children's  
**FINE SHOES**  
 that excel those Mr. Powers keeps, nor any so well adapted to the wants of this community. He has, at his store opposite the Bush House, a full stock of all widths and all sizes, and sells the same 25 per cent. less than any similar qualities are sold for in this town.  
**FARMERS GIVE HIM A CALL.**
