TEA! TEA!

IT would not amount to anything for J. B. SMITH, who keeps Grocery in Bridgewater and delivers his goods on a Wheelbarrow, to make the assertion, that he sells the best TEA in Bridgewater; for if he did some other grocery man would come out in the paper and say:

JUST RECEIVED, the largest and finest assortment of Teas ever brought to this or any other town, and will be sold lower for cash than any other man dare sell.

So you see that would knock all the strength out of my TEA.

AYER'S CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856.

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE.

As a Family Physic.

From Dr. E. W. Cartwright, New Orleans.

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Headache, Foul Stomach.

From Dr. Edward Boyd, Baltimore.

DEAR SIR, AYER: I cannot answer you *what* complaints I have *cured* with your Pills better than to say *all that we ever tried with a purgative medicine.* I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.

PITTSBURG, Pa., May 1, 1855.

DR. J. C. AYER. Sir: I have been repeatedly cured of the worst *headache* any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED. W. PREBLE,
Clerk of Steamer Clarion.

Bilious Disorders—Liver Complaints.

From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purposes as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of *bilious complaints* than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR,
Washington, D. C., 7th Feb., 1856.

SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of *bilious disease* so obstinate that it did not readily yield to them. Fraternally yours, ALONZO CLELAND, M. D.,
Physician of the Marine Hospital.

Dysentery, Diarrhœa, Relax, Worms.

From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I look them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for *bilious dysentery and diarrhœa.* Their sugar-coating makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood.

From Rev. J. V. Himes, Pastor of Advent Church, Boston.

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.

WARSAW, Wyoming Co., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and *purify the fountains of the blood.*

JOHN G. MEACHAM, M. D.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc.

From Dr. J. P. Vaughn, Montreal, Canada.

Too much cannot be said of your Pills for the cure of *costiveness.* If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe *costiveness* to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston.

I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the *natural secretion* when wholly or partially suppressed, and also very effectual to *cleanse the stomach and expel worms.* They are so much the best physic we have that I recommend no other to my patients.

From the Rev. Dr. Hawkes, of the Methodist Epis. Church.

PULASKI HOUSE, Savannah, Ga., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating *neuralgic pains*, which ended in *chronic rheumatism.* Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

SENATE CHAMBER, Baton Rouge, La., 5 Dec. 1855.

DR. AYER: I have been entirely cured, by your Pills, of *Rheumatic Gout*—a painful disease that had afflicted me for years. VINCENT SLIDELL.

☞ Most of the Pills in market contain Mercury, which, although a valuable remedy in skillful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

Price, 25 cents per Box, or 5 Boxes for $1.

Prepared by Dr. J. C. AYER & CO., Lowell, Mass.

Having proofs so strong and direct

EXPEL THE DOUBTS OF ALL.

For Statesmen, Judges, Editors, Physicians of the oldest schools as well as new, give it their unqualified sanction, and recommend it for all cases of eruptions, and diseases of the scalp and brain; but all who have used it, unite in testifying that it will preserve the hair from being gray, and from falling to any age, as well as restore. Read the following:—

Oak Grove, S. C. June 24th, 1859.

PROF. O. J. WOOD: Dear Sir:—Your Hair restorative is rapidly gaining popularity in this community. I have had occasion to lay prejudice aside, and give your Hair Restorative a perfect test.—

During the year 1851 I was so unfortunate as to be thrown from my sulky against a rock near the roadside, from which my head received a most terrible blow, causing a great deal of irritation, which communicated to the brain and external surface of the head, from the effects of which my hair was finally destroyed over the entire surface of the head. From the time I first discovered its dropping, however, up to the time of its total disappearance, I employed everything I could think of, being a professional man myself, and as I thought, understanding the nature of the disease, but was finally defeated in every prescription advanced.

These and no other circumstances induced me to resort to your worthy Hair Restorative, which I have every reason to believe, produced a very happy result, two months after the first application. I had as beautiful a head of young hair as I ever saw, for which I certainly owe you my sincere thanks. Rest assured, dear sir, I shall recommend your remedy to all inquiries moreover I shall use my influence, which I flatter myself is not a little.

You can publish this if you think proper.

Yours, very respectfully,
M. J. WRIGHT, M. D.

Office of the Jeffersonian, Phillippi, Va., Dec., 12th, 1858

Dear Sir—I feel it my duty as well as my pleasure, to state to you the following circumstances, which you can use as you think proper. A gentleman of this place, (a lawyer,) has been bald ever since his youth, so much so, that he was compelled to wear a wig. He was induced to use a bottle of your Hair Restorative, which he liked very much, and after using some two or three bottles his hair grew out quite luxuriantly, and he now has a handsome head of hair. The gentleman's name is Bradford, and as he is very well known in our adjoining counties, many persons can testify to the truth of this statement; I give it to you at the request of Mr. Bradford. You can sell a great deal of your Hair Restorative in this and the adjoining counties if your have the proper agents. Yours, &c.,

THOMPSON SURGHNOP.

DR. WOOD: Dear Sir, Permit me to express the obligations I am under for the entire restoration of my hair to its original color, about the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your "Hair Restorative" it soon recovered its original hue. Consider your Restorative as a very wonderful invention, quite efficacious, as well as agreeable.

S. THARRERO.

The Restorative is put up in bottles of three sizes; large, medium, and small; the small is a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent more in proportion, and retails for $3.

LINDSEY'S IMPROVED

BLOOD SEARCHER,

A STANDARD MEDICINE

For the speedy, radical, and effectual cure of all Diseases arising from Impurity of the Blood.

This medicine has wrought the most miraculous cures in desperate cases of

Scrofula	Cancerous formations
Antonious Diseases	Pimples & Boils,
Tumors on the Face,	Carbuncles,
Old Stubborn Ulcers,	Scald Head,
Fever affections,	Salt Rheum,
Dyspepsia,	Scrofulous disorders,
Jaundice,	Costiveness,
Mercurial Diseases	General Debility,
Liver Complaint,	Loss of Appetite,
Blow spitals,	Foul Stomach,

Female Complaints, and all Diseases having their origin in an impure state of the blood.

The above is a portrait of David McCreary, of Napier township, who, on the 31st day of August, 1858, made affirmation before Justice Gorley that he was treated for the cure of Cancer by three physicians of Bedford county, and by Dr Newton of the Electric College in Cincinnati, for a period of nearly eight months, notwithstanding which, his *lip, nose, and a portion of his left cheek were entirely eaten away!*—He had given up all hope, when he heard of the "Blood Searcher," and was induced to try it. Four bottles cured him; and although sadly disfigured, there is no question but what this invaluable medicine saved his life. The full particulars of this remarkable case may be seen in a circular, which can be had of any of our Agents.

We also refer to the case of Nancy Bleakney, of Elderton, Armstrong county, Pa., cured of Scrofula after being unable to get out of bed for three years.

To the case of a lady in Ansonville, Clearfield county, who was also afflicted with Scrofula in its worst form.

To the case of George Meisel, residing in Carrollton, Cambria county, Pa., who was so badly afflicted with Cancer that it eat his entire nose off, and his case was worse, if possible, than McCreary's.

The particulars of these cases—every one of which was cured by the use of the Blood Searcher—may also be found in a circular to be had of any of the Agents.
