

The political life at this college has been a very active one this fall. Republican and Democratic clubs were organized quite early in the term, and steps were taken by each to boom their respective issues and keep them before the people about State College. The debate on the tariff issue of the campaign came off as announced in our last issue, and has been pronounced by all present a grand success.

The class of '91 held its annual banquet at the Bush House in Bellefonte, Friday evening, November 2. It was conveyed thither in the "Mountain Echo," the usual conveyance for college students. The time was passed merrily with songs and speech making. At 9.30 P. M., "Ye Sophs" sat down to one of the most sumptuous feasts of the season. The time between the courses was made enjoyable by punning and singing of songs. The departure of our President to his home was the only cloud that hovered over the class, and in a degree helped to mar the pleasure of the occasion. The following toasts were responded to: "The Class," J. F. Shields; "The Faculty," C. H. Zink; "Our Girls," H. V. Holmes; "Fraternities," N. H. Suloff; "Athletics," C. H. Musser; "Quondam Members," T. A. Gilkey; "Ye Grinders," J. H. Yocum; "Committee," G. R. Johnson, Hugh Hamilton acted as toast-master in the absence of the President, F. N. Weidner. After the repast the members adjourned to the parlor where they were entertained by F. A. Griffin with selections from Faust and Tannhauser, and some of the members indulged in the "light fantastic" until the midnight hour rolled around. The class then took the conveyance and started for the college, which was reached at 2.30 A. M. This was the most enjoyable occasion the class has ever experienced in its history; every member was feeling his very best, and every detail was so well arranged by the committee, that it was impossible for one not to enjoy himself. On this account, they all take pleasure in anticipating the coming annual banquet.

FOOT BALL.

Bucknell vs. State College.

Our foot-ball team went to Lewisburg to play a game with the Bucknell team, but after playing twenty minutes, during which time they gratuitously ceded Bucknell three points, they saw Bucknell wanted them to say "here boys, take the game, we'll go home." They came home, but didn't give them the game.

Dickinson vs. State College.

We are satisfied with the work of our foot-ball team in the Dickinson-State College game. The game was exciting throughout, each side working with an indomitable will and a determination to win at all hazards; following is the teams and score: *Dickinson team*:—Baldwin centre rush; Eveland, Evans, guards; Stephens, Hawley, tacklers; Hugh, Willard, end rushers; Houck, quarter back; Wallace, Patton, half backs; McGirk, full back. Touch down, Wallace, 4; safety, 2; total, 6. *State College team*:—McLean, centre rush; Fisher, Hildebrand, guards; Cleaver, Hile, tacklers; Linsz, Johnson, end rushers; Lyden, quarter back; Foster, Reber, half backs; Mock, full back. Touch down, Foster, 4; Goal, Mock, 2; total, 6. The kick off was won by Dickinson, and in a short time they secured a touch down by Wallace, immediately followed by a safety. Nothing more was gained in the first half. In the second half State College formed a V, pierced the rush line, and gained about thirty yards. This was followed by repeatedly forcing the Dickinson rush line to their goal, and a touch down was secured by Foster, from which a goal was kicked by Mock, thus tying the score. The features of the game were the solid rush lines presented by both teams, and the occasional piercing of Dickinson's rush line by Foster. Our team plays with a courage and tenacity which cannot be broken down, however adverse the circumstances may be.
