

lege over the Buffalo Run Railroad.

When the time was called to begin, Capt. McLean winning the toss, took the ball and the visitors choose the west goal. State College started off with a V and gained about thirty yards and thus advancing rapidly, before the visiting team had time to recover themselves a touch down was made inside of three minutes. The superiority of training and team work thus showed itself at once, and the visitors, although they worked hard throughout the game, at no time had any hopes of scoring. Thirty minute halves were played and the game closed with a score 68 to 0 in favor of State College.

The arrangement of the team, was as follows :

BELLEFONTE vs P. S. C.

A game of foot ball was played at Bellefonte on Thanksgiving day between the College team and a combination of Bellefonte and State College players. Considering the day, a good sized crowd witnessed the game ; it being the first game ever played in Bellefonte made it interesting to the spectators. Only a few of the regular eleven played.
