As we all are very much gratified with the results of this day we look forward with eagerness to our coming field day in June.

On Saturday, March 7, the postponed Indoor Sports in addition to the Preparatory Department Contest, were held in the Armory. The interest was fully as great as that displayed on the former day. The events were sharply contested, showing that our boys only need something to bring out their abilities on the Athletic line. We now have everything necessary for holding indoor sports, and in a few weeks will have a track which will be available for an outside field day. The following are the College events:

Throwing 12 pound shot. C. K. Cartwright, threw the shot 39.93 feet; C. C. Hildebrand, second, and C. H. Hile, third.

Throwing 16 pound shot, C. K. Cartwright, 35.08 feet; C. H. Hile, second, and C. C. Hildebrand, third.

The Tug of War contests undoubtedly attracted the most interest of any of the events.

The first pull was between '93 and '94, '93 pulling '94 one foot.

The '93 men were Rothrock, H. W. Mattern, R. B. Mattern, and Fay.

'94 men, Bowman, Brown, Musser, and Chambers.

The second pull was between '91 and '92. '92 pulled '91, 4½ inches.

The '92 men were Hildebrand, Rumberger, Read and Aull.

'91 men, Camp, Suloff, McKee, and Gilkey.

The final was between '92 and '93. '92 pulled '93 one inch.
