

The FREE LANCE staff elected C. H. Hile and R. W. Williamson as its representatives at the meeting of the Inter Collegiate Press Association to be held in Philadelphia on Saturday April 11th.

The mechanical engineers of the class of '91 have completed and set up the fifteen (15) horse power engine started by the class of '90. The engine is finely finished and compares very favorably with the work of practical machinists.

The Engineering Society has elected the following officers to serve during the coming term :

- W. A. Bartley, *President.*
- D. M. Taylor, *Vice President.*
- W. W. Bohn, *Secretary.*
- C. M. Green, *Treasurer.*
- H. D. Long, *Editor of Journal.*

Judging from the sign "C. P. Long, Bargain Store" that appeared on the morning of March 17th in one of the attic windows of the Main Building, a stranger might have thought the college was a seat of trade and barter rather than an institution of learning.

For some time Dr. Atherton has been endeavoring to arrange for a series of lectures by representatives of the various government departments at Washington. At present arrangements have been made to have a lecture descriptive of the workings of the Post Office Department on April 15th; of the Treasury on May 1st, and of the Navy on May 15th.

The Hon. John H. Orvis, Capt. Chas. W. Roberts, Cyrus Gordon, Esq., Hon. John A. Woodward, and Dr. George W. Atherton, composing the executive committee of the Board of Trustees, of the College, met in the Presidents office on Saturday, March 21st. Among other business they granted the Athletic Association the ground in the rear of the Chemical Laboratory as a site for the new track and also appropriated a sufficient sum of money to pay the cost of construction. The work on the track will be started as soon as the weather permits, under the supervision of a committee of the civil engineering students.

The class of '93 has elected the following staff for the purpose of collecting material for their edition of the *La Vie* to be published in '92.
