

They failed to kick a goal. Things commenced to look shaky as cheer after cheer went up from the crowd on account of the touchdown just made. But the first half ended without either side scoring any more—being Lafayette 4, State College 0.

The second half State College braced up and started in to win. Every man seemed to work with better spirit. The rush line pushed everything before it right down into Lafayette territory, and there, with the fine running of Aull and the tricky work of the men back of the line, State College commenced to score. Two touchdowns were made by Aull, one of which was turned into a goal. Another one was made by Fay. No goal, however. Thus the game ended with the score—Lafayette 4 State College 14.

Thirty minute halves were played.

Our team leaving Easton on Saturday, at 1.40 arrived at Bethlehem about 2.10. The boys were all feeling pretty stiff from the game of the previous day and as they strung out towards the "Wyandotte," there was not noticed that exuberance of manner, so distinct twenty-four hours previous.

The game with Lehigh was called for 4 o'clock. State College showed up about three-fourths of an hour ahead of time, but as all were sore from the game with Lafayette, they did not seem anxious to do much preliminary playing. While the crowd was gathering, there was much loose comment as to the probable result of the game. As a matter of course, they expected a walkover and the betting ran anywhere on a score of from 40 to 60 to 0. Just a few minutes before time to call the game, Lehigh's team came down from their Gymnasium and out on the grounds on a run.

With Dumont of Lafayette for Umpire and Throckmorton of Lehigh for Referee, the game was called a few minutes after 4 o'clock, State College taking the ball. The teams lined up as follows:

Hutchinson.....	full back.....	Brown.
Mossman.....	r. half back.....	Cartwright.
Trenchard.....	l. half back.....	Fay.
McClung.....	quarter.....	Aull.
Barber.....	right end.....	R. Mattern.
Blunt.....	right tackle.....	Rothrock.
Wooden.....	right guard.....	Dowler.
Balliett.....	center.....	Read.
Sheldon.....	l. guard.....	Hildebrand.
Ritche.....	l. tackle.....	Hile.
Walker.....	l. end.....	Knittle.

State College played a splendid game from the start. The Lehigh boys were completely taken by surprise, as they had counted on an easy victory. The ball was kicked, pushed back and forth on the field, neither side apparently getting much advantage. At last, and just a few minutes before time was called for the first half, Lehigh managed to push the ball over our line and score a touchdown. This making at the end of the first half—Lehigh 4 State College 0. In the second half Lehigh scored 20 pts. more and towards the end of the game State College by hard work forced the ball over, securing a safety. When time was called the score stood—Lehigh 24 State College 2.

MR. EDITOR:

Each alumnus as an individual, and the alumni as an organization, owes such enthusiasm and effort as will materially aid our alma mater.

We do not think we are putting it too strong, when we say that the interest which our alumni has shown, and the aid which it has given, has not been as helpful as it might or should be. Simply because we are prospering as a college, is no excuse for our graduates to lay aside their helping qualities.

We wish to suggest one way in which our alumni can benefit our college; a suggestion by no means new, as it has been and is now practically worked by each alumni in several of our best colleges.

It is the judicious distribution of college an-
