FOOT-BALL.

SWARTHMORE O, STATE COLLEGE 44.

The first championship game of the P. I. C. F. B. A. was played between Swarthmore and State College, October 17. The day was a perfect one for foot ball. It was clear, and just warm enough to make it pleasant for the many friends of the opposing teams. Haverford was represented by a large body of students who gave their cheers for State College. Friends from Philadelphia, Chester and West Chester, were there to give their encouraging cheers for P. S. C. In fact State College had almost as many adherents on the ground as had Swarthmore.

Swarthmore won the toss, took the ball and guarded the east goal. The game was opened

with the usual trick by which a short advance was made, when by a fumble State College secured the ball

By successive rushes the opponents goal was soon reached when Cartwright made a touch down. No goal. Our team played a strong rush game and thus the back of the line was enabled to do most effective work. The first half ended with the score 24 to 0 in favor of State College.

During the second half much harder playing was done by both sides. However, State College continued her good work and when time was called the score stood 44 to 0.

Touchdowns were made by Cartwright, Aull, Fay, Atherton, Knittle and Hile. Bond and Cocks did good playing for Swarthmore.
