

Pennsylvania won the toss and chose the west goal. State College advanced the ball into their opponents territory and Cartwright made two touch downs, but owing to the strong wind blowing neither one was turned into a goal. Hipsley, Pennsylvania's left half back, by some careless fumbling on the part of State College, secured the ball and, having a clear field, made a good run bringing the ball within ten feet of the opponents goal before he was overtaken and brought to the ground by Aull. State College soon secured the ball and directly forced it back when Aull made a touch down- No goal. In the second half State College played a weaker game than in the first; only securing one touch down from which a goal was kicked thus making the score 18 to 0. Only one half hour halves were played. Albert referee, Hile umpire.

BUCKNELL 12, STATE COLLEGE 10.

There was a championship game of foot ball played between Bucknell and State College Saturday, Nov. 7th, which resulted in a score of 10 to 12 in favor of Bucknell. It was a hard and closely contested game throughout. Quite a large audience witnessed the game.

Bucknell started the game with a V trick and at first rushed the ball into P. S. C's. territory, but after a few moments hard play was forced back toward her own goal. After some hard playing State College succeeded in scoring, Cartwright making a touch down from which a goal was kicked. The remainder of the first half was character-

ized by some hard rushing on the part of the College eleven though no other scores were made.

State College started the second half with the ball in her possession, but soon lost it to Bucknell. Riggins then scored the first touch down for Bucknell from which a goal was kicked. State College again started with the ball and carried it well into their opponents territory where it was kept for some time. A few very costly errors on account of the backs, however, changed the tide of the game, and Bucknell succeeded in scoring a second touch down from which a goal was kicked.

State College then braced up wonderfully, starting from the centre just seven minutes before the time was up, she succeeded by a series of brilliant rushes in securing a touchdown. No goal resulted and the game ended with the score 10 to 12 in favor of Bucknell.

The game was called at 2.30 p. m. 45 minute halves were played.
