

tion, however, such protest, I feel confident, will be overruled.

It showed the right spirit on the part of Haverford to play off this postponed game. She had a badly crippled team and expected defeat. Hence she played poor foot ball, and displayed no snap or vim. The running of State College's backs and good interference won her the game, which was witnessed by few, the spectators being made up of a few pretty girls, a half hundred Haverfordians, a few University of Pennsylvania and Swarthmore players, and a poor frightened rabbit that occasionally darted across the field of play:

DETAILS OF THE GAME.

The coin favored Haverford, and Captain Palen took the north goal with the wind at his back. State College had the ball, and at 2:45 the game began. The teams were:

Haverford.	State College.
Lancaster.....	left end.....R. Mattern.
Haviland.....	left tackle.....Hile.
S:one.....	left guard.....Hildebrand.
Male.....	center.....Read.
Carter.....	right guard.....Dowler.
Wright.....	tackle.....Rothrock.
Hubbard.....	end.....Knittle.
Palen (captain).....	quarter back.....Aull (captain).
Wood.....	right half back.....Fay.
Johnson.....	left half back.....Cartwright.
Hay.....	full back.....Atherton.

The V resulted in a gain of 10 yards. Captain Aull took the ball to the 5 yard line where he was stopped by Wood. Fay rushed the ball through left tackle, and both teams drifted over the line. By a fumble, near the goal line, the ball went to Haverford, but she was forced to make a safety.

Hay punted from the 25 yard line, and the two teams lined up over the ball at the center. Cartwright hustled through right tackle and broke away for the goal line with a clear field before him. No goal was kicked. The score stood 10 to 0.

Haverford lost the ball on downs. Cartwright seized the ball and carried it over the line. No goal.

Haverford resumed play with a punt, and Fay responded with a long run. Aull took the ball around the left end for another touchdown. Atherton kicked the goal and the score was increased to 20.

Hildebrand opened up, Carter and Cartwright plunged through, scoring the fifth touchdown: Goal.

Haverford now took the ball well into her opponents' territory and finally punted. Aull by clever dodging traversed nearly the entire length of the field and scored again, no goal.

The ball went to State College on downs and was promptly forced toward Haverford's goal. It was now Reul's turn to make a touchdown. No goal was kicked. At the end of the first half the score stood 34 to 0.

Haverford led off with a kick and Cartwright was the first to score. State College soon regained possession of the ball and after two short gains Atherton attempted a goal from the field. Haverford lost the ball on downs. Fay scored. Steadily Haverford was forced back, and six more points were added to the score.

A few successful rushes were now made by Haverford, but the ball went to State College near midfield, and another touchdown resulted.

Haverford's charges were stopped by hard tackling and the visitors worked their way over the line again, securing a touchdown and a goal.

This sort of play was repeated for six more points, and when time was called the ball was in the middle of the field. The score was 58 to 0.

Referee, Mr. Price.

Umpire, Mr. Eggleston."

Among the visitors and friends of the State College team were Capt. Charles Roberts, Mrs. Roberts and Miss Roberts, of West Chester, and Mr. and Mrs. Righter and Miss Righter, of Radnor.

The game of foot-ball which was to decide whether or not the Freshmen should carry canes, was played on Tuesday afternoon, Nov. 8th, and was witnessed by quite a large crowd of spectators. The game was close and very interesting. It started with the ball in the possession of the Sophomores. For some time they gained ground on every rush and it seemed that they were going to score, having gotten within three feet of the goal line. But at this point the Freshmen braced up and in a short time recured the ball and soon rushed it back to the centre of the field. From this on not much headway was made by either
