

Struble, and Roop; Rice, who had been a member of the class during three years of its course in college, and who has since completed a course here, was also present.

Three years since graduation have wrought slight changes in the appearance of all, though Hawk looks scarcely changed. Two members of the class, Jackson and Hawk, are married.

The reunion banquet was enjoyed in Bellefonte on Wednesday afternoon, June 15. Miss Meek, the only lady of the class, presided. Many were the college reminiscences which set congenial spirits aglow, and pleasant was the flow of good feeling. The toasts were as follows:

J. S. Weller, "The law of Courtship."

R. P. Swank, "Single Blessedness."

W. B. Hawk, "Married Bliss."

C. G. Roop, "The Past."

J. Foster, "The Future."

D. Hunter, "Our Class."

J. P. Jackson, "Soothing Syrup."

Messages were received from absent members.

The class voted to have a second reunion in 1895. Special effort will be made to make the next meeting a memorable one. The officers chosen for the next three years are, President, Miss Meek; V. President, D. H. Hunter; Secretary, Roop.

PERSONALS.

'92. A. C. Read intends to return to college next fall to take a past graduate course.

'92. N. M. Loyd has accepted a position on the reportorial staff of the *New York Mail and Express*.

'92. N. P. Smiley who left college recently to accept a position offered to him then, returned for Commencement and was graduated with his class.

'92. C. H. Hile has been appointed to a fellowship at the University of Wisconsin, in Madison, on account of the excellence of his graduation thesis.

'91. H. D. Long tells in a recent letter to Prof. Osmond some of his experience since graduation and says among other things, "I have found that there is no great difficulty for a man with plenty of push and energy to get a position; I have had as high as three positions offered to me at the same time." He now holds the position of draftsman and designer in the Alternating Machine and Lamp department of the Thomson-Houston Co., Lynn, Mass., and has just refused a very good offer from another company.

'91. F. N. Weidner has just accepted a very good position with the Arnold Electrical Manufacturing Co., Chester, Pa.

'90. J. B. Walker expects to take a post graduate course at Johns Hopkins next year.

'87. W. F. White is manager of the Omaha, Nebraska, office of the Edison & Thompson-Houston Electric companies and has also been elected one of the five directors of the Omaha Electric Light Co., now owning a plant whose cost was over one million dollars.
