—The Thanksgiving Assembly given by the class of '93 on Friday evening, November 25, in the College armory, was more successful, both socially and financially, than the last fall reception. The attendance also was larger.

A special train from Bellefonte, carrying a goodly number of Bellefonte, Pittsburg and Lock Haven guests, arrived about 8 p. m. The armory interior was plainly and tastefully decorated with blue and white bunting, military accoutrements and flags. From the proscenium arch floated the foot-ball championship pennant which was won last year while smaller pennants of blue and white fluttered from the electroliers. When the first strains of the waltz which followed the overture, floated through the ball room the scene became one of gay action. Stopper and Fisk's orchestra, of Williamsport, was at its best. Dancing was continued until 11 o'clock when light refreshments were served on the stage.

The last waltz was ended at 1.30 and with it closed one of the social events of the season.

The patronesses were Mrs. C. W. Roberts of West Chester, Mrs. J. L. Mitchell, Mrs. J. M. Smith and Mrs. J. C. M. Hamilton, of Tyrone, Mrs. D. G. Bush, Mrs. P. Gray Meek, Mrs. D. H. Hastings and Mrs. Wilbur F. Reeder of Bellefonte, Mrs. John Fay, of Altoona, Mrs. William Buckhout, Mrs. Josiah Jackson, Miss Harriet McElwain and Mrs. John Pemberton, of State College.

The committee of arrangements were H. W. Mattern, C. R. Fay, J. K. Furst, D. W. Gross, Jr. and S. H. Brown.

FOOT BALL.

OUR THANKSGIVING GAME.

On the morning of the 24th of November the State College foot-ball team left Wilkesbarre for Harrisburg at which place another and the last game of the season was to be played with the Dickenson College team. Our boys were not in the best condition for a game after the hard fought battle the day before with Lafayette, and two of our players went to New York to see the Yale-Princeton game, making it necessary to play substitutes.

The weather was too cold to make this the great day for foot ball an ideal one, and for this reason the crowd of spectators was not as large as we anticipated seeing, but between fifteen hundred and two thousand people were present. The Dickenson cohort being in the majority. At 2-45 play was called, Dickinson won the toss and chose the goal with the wind at their back, State College taking the ball advanced it a short distance but soon secured it again on four downs, and some good gains were made around the ends. Ather-ton carried the ball thirty yards it being called down one foot from opponent's goal. Fisher carried it across the line securing the first touchdown, Dickinson started off with a V but gained little ground, the ball remained near the centre of the
