STATE DEFEATS BUCKNELL.

Again Pennsylvania State College has met her rival, and the day is ours. On Saturday morning, May 6th, Bucknell's team came up to play our boys, and were administered a defeat by the score of 10-2. Our boys treated us to a surprise party, playing excellent ball all through the game. Both teams were somewhat weak at the bat. Unfortunately the crowd was not at all large, and after our team began to pile up runs in the sixth inning, enthusiasm lagged. Bucknell has a good battery in Smith and Barclay. Bourne and Parker also did very good work for her. For P. S. C. Atherton and Hartswick worked well in the points, while Buzard, Mackey, and Mattern did some fine all around playing. Mackey and Mattern did some exceptionally fine base running, the former having five stolen bases. We return the game on May 30th, and from all accounts, we may expect a much closer contest. Haley and McLean umpired

the game. This was Bucknell's first game as well as our own, and both teams may improve. It was a propitious start, and we hope we can keep it up. The score was as follows :—
