—The student body at State College is happy to-day, and a ample reason there is for it too. On Wednesday, October 25th, our eleven, weakened by the absence of Wolfe and Hildebrand and with Stuart who was to make his *debut* at full, went to Philadelphia to play the University of Pennsylvania. There was little ground for hope that we would make the same good showing that we had made in the two preceding years, when they won from us by the score of 20 to 0, but to

the delightful surprise of all the team returned, all well, after having given the Quakers the closest call they have had for some time.

Thirty-five minute halves were played, the first having ended with the score 6 to 6. White made the touchdown for State within eighteen minutes of the first kick off. The U. of P. did not score until within two minutes of the expiration of the first half.

In the second half the University scored two touchdowns from which goals were kicked, and White again secured the ball on a fumble and after a long run made another touchdown for us, but it was not allowed because the umpire feigned ignorance of the fumble. The game ended 18 to 6 in favor of the U. of P. It was gentlemanly throughout and the team reports the most courteous treatment. A detailed account will be published in the November issue. The line up was as follows:

Upton (Rosengarten).....	left end.....	Harris.
