

fraternities, and as far as possible they were made to feel entirely at home, every attention being shown them. Monday morning brought a day that seemed anxious to make up for Saturday's behavior. It was brisk and bracing with very little wind and a cloudless sky, perfect football weather. A special train was run from Bellefonte arriving at 1.30 and leaving at 4.20. The game was the occasion for the informal opening of the new grand stand as it was the first match game played here this season. General and Mrs. Beaver were among its occupants and enjoyed the game greatly.

Western University appeared on the field first and were heartily cheered. Then our boys came running from the main building and received an ovation. After a short preliminary practice, Haley won the toss and chose the ball, opponents choosing the west goal to defend. Owing to a bad fumble, the flying wedge was a failure, and our boys became slightly demoralized, quickly losing the ball and being forced back to our 30 yard line. Here we obtained the ball on a kick, and then John White took it well out of danger by a fine 30 yard run, assisted by very poor interference. Haley smashed the line for 8 yards more; but short dashes followed, and the ball was lost on a fumble, at our opponents' 45 yard line.

MacNiel made a neat 4 yards, and Boden 5; but the former and Neall were downed in their tracks for losses, and Boden kicked, Atherton catching and making 5 yards. Haley bucked the line for 5 yards, and short dashes by Dowler, Stuart, Atherton and Harris netted 10 yards, Haley adding 8 more through the centre. Stuart then kicked, and Boden catching gained 3 yards. MacNiel made a pretty run of 20 yards, and after a short dash by Boden, Neall made 15 more unassisted, only to lose the ball on the line up by a fumble, Dowler falling on it. Our boys could not gain so Stuart kicked, Boden again catching and making 15 yards. MacNiel failed to gain, and Boden kicked, Stuart getting the ball on the bounce, and by clever dodging quickly getting

into his interference and making a magnificent 70 yard run for a touchdown. This was the star play of the game both individually and in interference, and the crowd presented an almost indescribable scene for a minute or two. Atherton kicked the goal.

W. U. P's., V was quickly broken by Hoskins and only one yard was made. Boden made 3 yards, but the ball was lost on a loss by MacNiel. Haley in turn lost 3 yards, and Harris failed to gain; so Stuart kicked, Boden catching and gaining 10 before being downed. The latter kicked, and Stuart caught also making 10 yards. Then Haley added 4, Stuart 4, White 8, and so on with short dashes till White made 15 round the end with good interference, going out of bounds. Good gains by Haley, Dowler, White and Stuart brought the ball to within 2 yards of the goal line, and Haley smashed through for a touchdown. Atherton goal. An exchange of kicks with the ball in our possession at the centre was all that could be accomplished till time was called. Score 12-0

In the opening of the second half Neall lost 4 yards in the V and Marshall 4 on the end. Boden then kicked and McCaskey dropped on the ball. Stuart made 15 yards through the line and followed it up with a kick, White tackling Boden in his tracks back of the centre. Boden kicked poorly owing to Fisher and Dowler breaking through, and Price dropped on the ball out of bounds; but it was our ball as Price was offside.

Haley and Stuart made 11 yards, and Dowler 6; but McCaskey fumbled, and White could not regain the lost ground, Stuart punting and Dowler tackling Rose well back. MacNiel gained 8 yards but couldn't advance next time. Boden then made 2 but was hurt, and Marchand dropped back from tackle to full, putting Dubarre in guard and Hill in Marchand's place. Marchand kicked, and Fiscus got the ball outside on McCaskey's fumble. The ball quickly went to us on 4 downs, Stuart kicking and Rose being downed with the ball on his 20 yard line. Marchand kicked high
