

½ mile run	J. B. White '94	2 min. 9 sec.
1 " "	C. E. Scott '96	5 min. 28 sec.
120 yds. hurdle	C. E. Aull '92	18 3-5 sec.
220 " "	C. E. Aull '92	30 2-5 sec.
2 mile bicycle	G. K. McFarland '96	6 min. 2 sec.
16 lb. hammer	B. F. Fisher '96	94 ft. 9 in.
16 lb. shot	B. F. Fisher '96	38 ft. 6 in.
Running high jump	J. J. Connelly '97	5 ft. 7 in.
" broad "	J. J. Connelly '97	20ft. 4½ in.
Pole vault	C. M. Caughey '93	9ft. 6¼ in.
Mile walk	S. H. Brown '93	7 min. 59sec.

In view of the determined effort we intend to make for the cup of the Pennsylvania Inter-collegiate Athletic Association this coming Spring it might be well to call to our minds the records made by the teams we have sent during the two years we have been members of the association. We give the names and records of the men who scored points and won medals for the College at those meetings.

In the Spring of '92 the following men scored for us :

C. K. Cartwright	1st 16 lb. shot	35 ft. 5½ in
B. F. Fisher	2d " " "	34 ft. 11 in.
B. F. Fisher	3d " " hammer	16 ft.
S. H. Brown	2d mile walk	7 min. 56 sec.
C. W. Heppenstall	2d 2 mile bicycle	6 min. 28s.

Four men sent won 12 points, each man winning points and a medal. Notice the difference the following year. Spring of '93 :

J. B. White	1st ½ mile run	2 min. 9 sec.
G. K. McFarland	1st 2 " bicycle	6 min. 10 sec.
J. J. Connelly	1st running high jump	5 ft. 7 in.
J. J. Connelly	1st " broad "	20 ft. 1½ in.
C. M. Caughey	3d pole vault	9 ft. 6 in.
*S. H. Brown	1st mile walk	8 min. 1 1-5 sec.

*(Was Disqualified.)

Five men sent, really took 26 points, but five were not allowed. Add to this the fact that our best man B. F. Fisher who was good for two first places and two records was ill and unable to contest, and we see what strides the College has made. We wish to give due praise to J. J. Connelly. He was the first man to win 10 points and two gold medals for the College at these meetings.

The query arises—can we not by determined effort this year do so much better than where five

men took twenty six points ten men can take the cup? Prof. Hoskins says that if the men do justice to themselves, the material is such that he can pick out ten men from the student body and mould them into a winning team. Are we going to put this statement to the test?

—H. A. Kuhn was elected manager of the '96 base ball team.

—Fred Robison has been elected captain of the '97 base ball team, and P. F. Sellers, manager.

—Mr. R. L. MacDonald, '95, was elected manager of General Athletics, at a recent meeting of the General Athletic committee.

—Mr. M. T. Swartz, '95, has been elected base ball manager for the ensuing year. He has worked hard to get a good schedule of games, and reports the following dates with others to hear from :

—Practice for the base ball candidates began about the end of last month, and the good results are already making themselves evident. The men meet Mr. Hodson for work from 3.30 to 4.30 on Tuesday, Thursday and Saturday afternoons.

—The Banjo Club has at last been definitely formed, as follows: Atherton, leader, Harris, banjos; Gray, banjeaurine; Abrams, mandolin; Hawley, Banks, guitars. It is possible that additions may be made before the trip in the Spring. Manager Barton, reports a good schedule of dates, which is not quite complete as yet. Both clubs are showing marked improvement, and if they get down to hard work will make quite a success on their tour.
