DICKINSON vs. STATE.

The following account of the game with Dickinson, taken from the Philadelphia Press, will show how our team is regarded by our opponents. It is by such notices as this that the public forms its opinion of the institution. For this once, let us see ourselves as others see us.

Carlisle, April 17 (Special).—The game against State College resulted in a victory for Dickinson. State does not adhere to the undergraduate rule, as she presented the crack professionals of the State League in the persons of Hodson and Reed. For Dickinson, Lantz distinguished himself by making three doubles and a single. His fielding was out of sight. Nattress and Bowman played well for Dickinson. Himes pitched a strong game. For the visitors, neither of the League stars distinguished themselves, but of the collegians, Stuart and Robinson played strongly. The score :

ALTOONA vs. STATE.

The college team played surprisingly good ball on the afternoon of the 21st, considering that the weather had prevented practice since the Dickin-

son game. The condition of the field caused by a drizzling rain just before the game, was a slight disadvantage to both teams. State by her heavy batting scored four runs in the first inning, two in the fifth, and one in the second, third, eighth and ninth. Mattern played an excellent game as pitcher in spite of a painful arm. Atherton kept so well up with the game as to catch one man between first and second bases ; a very significant pointer which resulted in the visitors stealing one base only during the entire game. The work in the diamond and field was exceedingly good, and had it not been an "off day" for our short-stop the game would have resulted in a victory for the home team. The visitors were a State League team and played excellent ball. The following gives score, position of players, etc.
