M. J. Thompson, instructor in mathematics was visited by his cousin Rev. E. W. Thompson, of Havana, Ill. He was highly delighted with the college and its surroundings.

It is very seldom that five men of a class of four years' graduation gather together at such a comparatively unimportant event as a handicap meeting, yet such was the case when five '90 men; Walker, Jackson, Leyden, McLean and Beaver assembled on Beaver Field, April 28th. An impromptu class meeting was held, and it was unanimously decided that the first named gentleman should set it up to the crowd.

Judge John M. Greer, of Butler, Penna., gave the college a short visit during the first part of this month. Judge Greer is a warm friend of the institution and we are always glad to have him with us.

COLLEGE ORBIT.

The members of the Greek fraternities in the colleges number 77,000.

The largest University in the world is at Cairo. It has 10,000 students. It was founded A. D. 964

Three American girls have entered the University of Gottingen by special permission of the German government.

At Boston University the faculty has voted to permit work on the college paper to count as work in the course, allowing seven hours per week to the managing editor and two hours to each of his assistants.

Cornell has been presented with a McEwen 100 horse power steam engine, for use in driving electrical machinery, where exact speeds are essential. The engine is guaranteed not to vary one revolution per minute under any load.

The Freshmen of Midland college have adopted the following class yell: "Rah! Rah! Rah! Class of '97! When we leave the earth we expect to go to heaven!" "Expect"—These men ought to remember that there is a verse about the Freshman who was too green to burn, yet old Satan is as fond of Freshmen as Seniors or any other class of men.

An Inter-collegiate debating union is being organized by the leading colleges of the country. We have our Inter-collegiate foot-ball, base-ball and athletic contests,—physical contests and the colleges are brought into spiritual contact through the college Y. M. C. A. Why not than have our intellectual contests? There is no reason why we should not.
