State 72, Lafayette 0.

State gave to Lafayette the worst defeat she has ever experienced on a foot-ball field, and succeeded in piling up the largest score ever made by a State College eleven, on Saturday afternoon, October 20th. Four hundred people saw the game, and went wild over a victory which exceeded their fondest expectations. State's playing was marvelous, her interference, tackling and running being almost faultless. She had little chance for any defensive work, but what there was, was of the finest kind. Lafayette had no interference at all, while their tackling was wretched.

Following is the game in detail:—Lafayette won toss and chose west goal. Atherton kicks 55 yds. Lafayette returns and ball goes outside, and secured by State. Taken in 10 yards. Robison 7 yds., Harris 2 yds., Atherton 3 yds., Robison and Suter 1 yd. each, Atherton 3 yds. followed by a touchdown by Suter. Time four minutes. Atherton kicks goal. Lafayette kicks 45 yds.,
