Bucknell vs. State.

About two thousand people witnessed the game between Bucknell and State, in Williamsport, Saturday, November 17th. The game was very close and exciting and resulted in a victory for our team by the score of 12 to 6. Both teams played a strong offensive game, but were weak on the defensive, except when compelled to play in order to prevent the opposing team from scoring. The men back of the line distinguished themselves for State, while Wolf played the best game for Bucknell. The details of the game are as follows:

State won the toss and took the ball. Atherton kicks for fifty yards and the ball rolls over the line. Bucknell brings the ball out and advances it almost to midfield by rushes around the end, and then loses it on downs. State fumbles and Bucknell gets the ball only to lose it again on downs. Atherton takes the ball for fifteen yards, Robison fails to gain, and Suter makes ten. Atherton makes three more and State loses ball on a fumble. From this time on until the end of the half, the ball remains in Bucknell's territory. Atherton tried for a field goal once but failed. At the close of the half, Suter went around left end for twenty yards and a touchdown, but while he was making the run time was called and the play was not allowed. The first half ended with neither team having scored any.

Bucknell opened the second half with a kick off

for forty-five yards, which Robison catches for twenty. State then rushes the ball down the field and sends Suter over the line for a touchdown, three and a half minutes after the play had started. Atherton kicks the goal. Bucknell kicks off and Atherton returns the ball to midfield, where it stays for several minutes until Bucknell sends it to our ten yard line. There State braces up and takes the ball on downs, rushing it back to midfield. Bucknell gets the ball on downs and by steady rushes, and runs around the end succeeds in scoring a touchdown from which a goal is kicked. The ball then stays around midfield until about three minutes from the end of the game, when Robison scores a touchdown by two runs of thirty and ten yards. Atherton kicks goal. The game was called a little later with the ball in State's possession on Bucknell's thirty yard line. The teams lined up as follows:

Huntingdon Athletic Club vs. Pennsylvania State Reserves.

The game with the Athletic Club of Huntingdon on the afternoon of Oct. 17th goes to show the strength and organization of our second team. The important part that the Reserves play in producing a good first team is not generally recognized. It is fair at least to assume that the success of the first team is due in part to the practice offered them by the second, and it is known that it would be an absolute impossibility to maintain a team without regular practice. Therefore those
