

“brick plant on wheels,” of last year’s game, played the game of their lives. The line men did well, but their work does not show up as prominently as that of the backs. The playing of Walker at full back was probably the best he has done this season. Painter and Albert were both strong as halves, Albert being especially strong in bucking the tackles. Curtin captained his team in good shape.

The Freshmen were outclassed in team work, but it is safe to say with the material in the class they will undoubtedly have a very strong team next year.

The teams lined up as follows:

Johnson	left end	Curtin (Capt.)
Dole	left tackle	Rawm
Eisman (Brandt)	left guard	Campbell (White)
Gore	centre	Beers
Macomber	right guard	Clapper
Halderman	right tackle	Few
Gourley	left end	Mechesney
Neubert	quarter back	Davis
Heckel (Capt.)	right half back	Painter
Randolph	left half back	Albert
Hayes	full back	Walker
