COLLEGE NOTES.

Dr. Colfelt will preach the baccalaureate sermon.

Bucknell and Dickinson have both declined to enter into a series of track and field games with State.

The Phoenix Literary Society has prepared a special programme to be rendered April 28. All are invited to attend.

It has been mutually agreed that no college shall take part in an inter-collegiate meet unless all its debts have been paid up for the last two years.

Scholl will go to Philadelphia a few days during this month for the purpose of being coached in hammer-throwing and shot-putting by Woodruff.

Miss McElwain was absent on a brief vacation during the later part of April.

Major Sanger, United States Army Inspector, was here to inspect the battalion on the 13th of May.

State's relay team has been invited to take part in a mile relay race with Dickinson and the Indians at Carlisle about May 15.

Drop lights have been placed in the engineering library and reading-room.

The 1896-97 catalogue of the College is now out and copies may be had by applying to the President.

If the necessary funds are forthcoming, a team will be sent to the State Inter-collegiate contest which is to be held May 29 at Swarthmore.

Hon. John Wanamaker will deliver the commencement address.

The '98 "La Vie" will be out about May 25.

The entire team of bicycle riders will be mounted on Viking wheels, which are loaned to the College by E. B. Douglas, of Allentown, Pa.

The students in the Mechanical Engineering course are building a five-horse-power vertical engine and two speed lathes.
