Ex-'99. John Agnew, after being absent from the College for a year, has returned and has entered the Sophomore class.

FOOT BALL

'00, 0—'01, 4.

On December 15th last, a very exciting game of foot ball took place between the Sophomores and the Freshmen. For many weeks previous to the game it had been generally conceded that the Freshmen would earn the right to carry canes. Therefore, it was a matter of no slight surprise when the Sophs held them down to four points. As far as weight went, the Freshmen were far above their opponents. Yet their team work was in no case superior to that of the Sophomores.
