

## COLLEGE NOTES

**T** H. MILLER, '01, now holds the strength test record of 887.7 points.

Dr. Armsby attended the meeting of the State Board of Agriculture, January 26th and 27th.

E. H. Hess, '00, recently won a \$25 prize for writing the best newspaper article on "How to Build Up a Dairy Herd."

The election of officers held by the Phoenix Literary Society, January 21st, resulted as follows: J. C. Reed, '99, president; W. H. Thomson, '99, vice-president; John Agnew, '00, secretary; F. M. Carpenter, '99, treasurer; H. P. Wood, '99, critic; H. E. Wagner, '99, marshal; S. M. Pollock, '01, chaplain; H. P. Wood, '99, V. H. Miller, '99, H. O. Way, '99, and S. M. Pollock, '01, editors of *The Tattler*.

Dr. Frear, Mr. Hess and Mr. Fries paid a short visit to the college owing to a recess in the institute work.

Dr. and Mrs. Armsby, Prof. and Mrs. Watson, and Mr. and Mrs. Hayward entertained the students of the School of Agriculture at the University Inn, January 24. About eighty guests were present.

The periodicals belonging to the Engineering Library are to be bound as soon as possible so as to be in more convenient form for thesis research.

The students in the creamery course are now competing for the gold medal to be won by the contestant who makes the butter scoring the highest test in the Dairy School.

The mid-winter sports will be held some time in March. Men are already in training for the various events.

At a meeting of the Agricultural Association on January 13th, E. V. Rawn, '98, was chosen president; J. D. Huston, '98, first vice-president; H. C. Musser, second vice-president, and Mr. Garrison, secretary and treasurer. This association meets weekly and the meetings are well attended and full of interest.

There are about twenty applicants for the cheese-making course, which follows immediately after the creamery course, some of the applications coming from Vermont and northern New York.
