

The Adelphi Club will give a dance at the University Inn on the evening of February 24.

The masquerade ball given annually for the benefit of the base ball department will be held on the evening of the 25th.

Word has been received from Dr. Atherton saying that he is in excellent health and will probably return to his work in two or three weeks.

The annual Report of the Pennsylvania State College for the year 1896 is completed and being rapidly distributed. These reports are quite extensive, including reports of the Departments of Instruction as well as of the Agricultural Experiment Station.

Owing to lack of attendance the young ladies' basket ball work is to be discontinued. Two hours of the time previously given to this will be devoted to base ball, and the remaining hour to Varsity basket ball.

Leader Dodge is getting the Mandolin Club in shape for a trip during the spring vacation.

Mr. J. G. White, '82, of J. G. White & Co., has sent a very handsomely bound volume of views taken along the transmission line between Niagara Falls and Buffalo.

An effort is being made by the technical societies to have a magazine published each term. This is certainly a good move and will require a considerable amount of work from the upper classmen.

The Thespians have about completed their arrangements for the play, "The Rivals," which they expect to give here on February 19th and in Bellefonte on the 21st. Much credit is due Prof. Pattee and Mr. Leete for the aid and instruction they have so kindly given.

The engineering reading room will be enlarged and remodeled. It will be made to include the open space in front of Prof. Ihlseng's office. When this is done it would be a good thing for the students if some of the departments would get new books and have them placed in the cases.

The Bellefonte Central Railroad Company again changed its schedule, and trains now leave here at 8 o'clock in the morning and 2 in the afternoon and arrive at 11:30 in the forenoon and 5:30 in the evening.
