

## COLLEGE NOTES.

Subscribe for "The Free Lance."

The list of students, revised on October 12th, shows that there are 268 students enrolled. They are from 54 counties of Pennsylvania, Centre and Allegheny counties heading the list with 49 and 27 respectively, and from nine other states and territories:— District of Columbia, Illinois, Iowa, Maryland, Montana, New Hampshire (2), New York (2), New Jersey, and Oklahoma. There are 70 taking the Electrical Engineering Course, 46 Mechanical Engineering, 24 Chemistry, 23 Civil Engineering, 19 Mining Engineering, 15 Agriculture, 16 Biology, 11 General Scientific, 10 Latin Scientific, 4 Mathematics, 2 Classical, 1 Philosophy, 2 Special, and 25 Sub-Freshmen. Senor Romero of Caracas, Venezuela, not included in the above list, is taking special work in Agriculture. He was sent here by the Venezuelan Government in order to make a special study of our Experiment Station systems.

The Free Lance has organized a Press Association consisting of the members of the Staff in order to furnish reliable news pertaining to the College to the newspapers of the state as well as to give its editors practice in newspaper work. In return for news sent in by us, a number of papers printed in the larger cities of the state have put us on their exchange list. Such papers as we receive, among which are the Philadelphia Inquirer, the Pittsburg Times and the Pittsburg Leader are placed in the College Library each day.

An excellent concert was given in the College Chapel on Saturday, October 1st, by the well known Earnest Gamble and Miss Risher, under the auspices of the Y. M. C. A.

There are twelve students taking the elective course in Spanish which is taught by Prof. I. L. Foster. The majority of these are engineering students.

McCallum, '99, was recently elected to fill the vacancy on The Free Lance Staff occasioned by the absence of Mallory, '99.

Taylor, '00, has succeeded Offutt, '99, in the care of the arc lights on the campus.
