THE ANNAPOLIS—STATE GAME.

ANNAPOLIS 16 ; STATE 11.

AS in the case of Hamlet, "There was method in his madness," there was an object in our not putting up the best game that we were able to when we met the Naval Cadets on Oct. 22.

We saw before us the two hardest games of the season—Princeton and D. C. & A. C.—scheduled for the following week, and when we entered the game, we did it with the determination to lose rather than run the chance of having any of our players crippled. The first half ended with the score of 6 to 0 in our favor, the touchdown having been made by Hewitt and the goal by Cure. In the second half Wade made two touchdowns and Fowler one for the Cadets and Wade kicked goal on the latter's touchdown. A few minutes before time was called, Cure kicked one of the prettiest field goals made on any grid-iron this season.

The line-up was:—

ANNAPOLIS.	POSITION.	STATE.
Shea (Royal)	right end	Blair
Nichols	right tackle	F. Miller
Vernon	right guard	Scholl
Wortman	centre	Murray
Halligan	left guard	Randolph
Bissel	left tackle	Ross
Jackson	left end	Ruble
Taussig	quarter-back	Heckel
Fowler	right half-back	Hewitt
Gannon	left half-back	Platt
Wade	full-back	Cure

Umpire—Etting. Referee—Flint. Touchdowns—Wade (2), Hewitt, Fowler. Goals—Wade, Cure—from field (1), from touchdown (1).
