THE baseball game between Susquehanna University and State scheduled for April 8th was postponed on account of wet grounds until Monday April 10th, when the visitors were taken into camp by State to the tune of 11 to 3. Exercises were begun a half hour early in order to give time for the game. The management is to be congratulated upon the resolve to keep the side-lines clear during the game as it gives a better opportunity for the frequenters of the grand stand to see the game and gives a better impression to visiting teams.

State's team being made up almost wholly of new men, many differing opinions were expressed as to the result of the game. While all expected to win none under-estimated the strength of the visitors and all the players went in to win.

The visitors played an excellent game with the exception of one or two slumps. Sutch had good control of the ball and kept our boys down well the fore part of the game and would have
