At a meeting of the Athletic Association on April 11th it was decided not to send the relay team to the races at the U. of P. held on April 29th on account of the inability to get the men in shape. The men are training hard now, in all the departments of field athletics under coach Buckholtz for the meets with Dickinson and Bucknell. Cure in the shot-put, Scholl in the hammer throw, Martin in the high jumps and polevault, Bridge in the polevault, Knox in the one-half mile, Norman in the sprints and hurdles, Pollock and Gill in the sprints and one-quarter mile, and Miles in the mile are rounding into form.
