#### STATE VS. BUCKNELL.

ACCORDING to the two years' agreement between these two colleges, their first Track and Field meet was held on Beaver Field at State, May 19, 1899. The day was anything but pleasant, being cold and cloudy with a bad wind blowing. It was not a day for the breaking of records, but notwithstanding all this the meet was interesting and had the support of the student body. State's team showed up strong, winning seven firsts and nine seconds, while Bucknell won only five firsts and three seconds.

State lived up to the expectations of her supporters, while Bucknell expected to carry off more of the honors than she actually did. Pearse of Bucknell won fifteen of her thirty-four points. Cure in the shot put, Martin in the pole vault, Miles in the one-half and two mile runs, and Mott in the quarter did excellent work. Each first, counting five points, and each second, three, the list of events and winners is:—

100 yds. Dash. 1st heat: Won by Pearse, B. Time,  $10\frac{2}{8}$  sec. Second, Pierson, B. Time,  $10\frac{3}{8}$  sec.
