

BASE BALL.

STATE vs. F. & M.

STATE won her fifth victory by defeating Franklin and Marshall's ball tossers on May 13th. Franklin and Marshall came on State's home field strong and confident of victory, but alas she was doomed to disappointment. Our boys on the other hand were confident of the game.

On the whole the game was well played. The first three innings were all State's, then F. & M. steadied up and held our fellows down to but one run for six innings. The score is not significant of the manner in which our boys found the ball, Burns had his opponents shooting ducks throughout the game. Hewitt's display of nerve in stealing two bases was appalling to the opponents. Burns' home run was one for keeps, Hayes, Morgan, and Ruble also had their eyes on the ball. The score:

STATE vs. BUCKNELL.

STATE met Bucknell on the diamond May 20th. While Bucknell did not expect to carry off all the honors in the events of the day before, she was confident of defeating our ball team. Here she was again mistaken and was defeated in a very loosely played game by our ball tossers. The game as a whole was of a
