

Among those who have not returned to college this year are C. T. Wade and L. M. Reno, both members of the Junior Class. The former, a member of the FREE LANCE staff and editor-in-chief of '01 *La Vie* Board, possesses marked literary ability, while the Y. M. C. A. will feel the loss of the latter keenly as he was one of its most energetic members.

Numerous repairs to the various buildings are quite noticeable.

Glasgow, '01, has accepted the position of mail-carrier for the college.

A special train brought a number of visitors from the picnic at Hunter's Park, Saturday, Sept. 16.

During the summer vacation the *S. A. E.* chapter house was repainted.
