42-0.

THE largest score made against us so far this season was made by Yale in the game at New Haven. The epidemic of fumbling which has characterized our playing so much of late was largely the cause of such a score. Much of the game was given to punting and on the receiving of kicks was where our boys showed up surprisingly weak. This was the first time our team has ever met Yale and perhaps it was stage fright at the large Y's that caused our defeat, or was largely responsible for it. The punting, when resorted to, resulted in favor of Yale and in this half they succeeded in adding twelve more points to the score. During the latter part of the game Johnson was replaced at quarter by Hewitt, who appeared for the first time in a game since his injury at West Point.
