

and with a competent instructor, Mr. Golden, to train the students, there would seem to be no reason why they should not go out from State strong in body as well as in mind.

The annual "cider scrap" between the Sophomores and Freshmen took place early in the evening of Wednesday, Oct. 31. The Freshmen far outnumbered their opponents and brought the cider on the campus without any opposition and had no trouble in keeping the Sophomores at a safe distance.
