

begin with, we have a devotional meeting every Sunday evening from 7 to 8 o'clock, and every Tuesday evening from 6:10 to 6:30 o'clock. Both of these meetings are held in Room 529, Main Building. These meetings are led by the student members, assisted by some of the professors.

Another division of our work consists of the Bible study courses. There are three of these. 1st, Old Testament Biographies. This consists of a course of study outlined by the leader, Prof. Willard. 2nd, Studies in the Life of Christ, led by Prof. Foster. 3rd, Studies in the Acts and Epistles, led by Mr. F. H. Taylor, our vice-president. These last two courses are outlined by the International Committee of the Y. M. C. A. Let us extend to all a hearty invitation to come and join us in our work this year. We need your help and in turn let us do what we can to help you.

#### THE Y. M. C. A. RECEPTION.

One of the regular features of the opening week of College is the Y. M. C. A. reception to the whole College, and especially to the new students. Its object is to bring the old and new men together in social intercourse, to create in every man a spirit of friendly helpfulness to every other man and to show to students, new and old, that along with the physical and mental development of College life there should go a moral development.

The speakers of the evening were Rev. Mr. Noble and Rev. Mr. Denniston, of State College, Rev. Mr. Brown, of Bellefonte, Secretary Gamel, of the Bellefonte Y. M. C. A., Rev. Mr. Aikens, of Pine Grove Mills, and Professor Gill, of State. General Beaver was invited but was unable to be present. The Cadet Band added greatly to the evening's entertainment. After refreshments the more than four hundred guests departed apparently well pleased with the first social event of the college year.
