

Capt. Hewitt, Scholl, Cummings, Whitworth, and Bennett are the men who have played on the Varsity before. Hewitt is playing a good game at his old position, that of quarterback. He directs the team well, is a good manager of his men, and is probably the fastest runner on the team. Scholl, last year's captain, and a veteran of the gridiron, is a tower of strength at tackle. He smashes through the line with the same irresistible strength that all old State men have so often seen exhibited in many foot ball games. Cummings did not come out to practice till late, but this did not seem to handicap him any, for he is playing a star game at tackle, which, by the way, is a new position for him. Whitworth and Bennett form a very speedy pair of backs who can generally be depended on to make good gains when given the ball. Dodge, for the second season, is playing guard, and he is a strong man for the position. Miller, an old State player, and an exceedingly reliable one, has decided to quit the game for the season, on account of his weakened condition, due to his last winter's illness.

State 17—Susquehanna 0.

The football season opened at State with a game with Susquehanna University, which resulted in a victory for State by the same score as last year. In the first half State men had everything their own way, bucking the line at will and making long gains around the end for three touchdowns. In the second half Susquehanna braced up, and though State's gains were frequent, Susquehanna succeeded in preventing a touchdown. The line-up was as follows:

STATE	POSITION	SUSQUEHANNA
Murray, Holloway.....	left end.....	Frank
Miller.....	left tackle.....	Capt. Lang
Dodge.....	left guard.....	Walker, Whitman
Sweet.....	center.....	Miller
Junk.....	right guard.....	Bingauham
Scholl.....	right tackle.....	Snyder
Miles.....	right end.....	Davis
