GYMNASIUM WORK.

The gymnasium is now open every evening, and the time is divided between special and class work. Saums, a Sophomore, has charge of the instruction. He is a capable man in this line, of a good deal of experience in gymnasium work. Before coming here he had charge of work in the Y. M. C. A. gymnasium at Wilkesbarre, Pa.

Some new apparatus has been placed in the gymnasium. Among the new things are a pair of adjustable and movable parallel bars, a pair of floor parallel bars, a wrist machine, an ankle machine, and a case of iron dumb-bells. A new dressing room has been added to the old one under the stage.
