

The newly elected captain was born at Cape May, N. J., on Dec. 9, 1878. He attended the schools of that city and in the fall of 1897 entered the Bellefonte Academy. While there he played guard and half on the team and did much to advance football at this school. In the fall of '99 he entered the class of 1903 at State. The first year he played center on Randolph's team and in the Princeton game showed the star center, Booth, up. In '00 he acceptably filled the position of fullback and in the Bucknell game on the fake play through tackle gained many yards for his team. The past season he played the position of tackle in the Penn game and afterwards was shifted to end, where in the Lehigh game made his brilliant run of seventy-six yards for a touch-down.

We feel sure that State's team under the captaincy of this all around player, will easily maintain the high notch she has gained in football. In passing it might be said that Cummings is the best 100 yard sprinter in the College and was a member of last year's successful relay team.

—Charles Ruble, '03, has been elected to fill the position of captain of the Varsity basket ball team for this year. Under the captaincy of this all-around athlete we feel confident our basket ball team will be as excellent as the ones of yore.
