—Early Monday morning, March 3rd, the occupants of the Main building were awakened by persons hurrying about and by their cries, "All Freshmen out," and it did not take long to realize that the Freshmen were going to have their banquet. Soon they were routed out to the number of about 160, and after forming in front of the building proceeded to Lemont. Here they separated into two divisions, those going and those not going to the banquet. The ones who intended staying at home remained at the Lemont station, as a ruse for the Sophomores, and the ones going proceeded down the tracks halfway to Bellefonte. From this point they were taken aboard the 7 o'clock train and at Lemont were joined by the Freshmen there who accompanied the banqueters to Centre Hall as a guard.

Sunbury, the point of destination, was reached at 4 o'clock after a tiresome journey, several stops having to be made on account of the recent floods.

In the meantime the Sophomores being under the impression that the banquet was to be held at Altoona departed for Scotia, Julian and Bellefonte and thus it was that no "scrap" occurred.
