

versity, is the donor of the latest addition to the collection at Yale Peabody Museum. The gift is the fossilized remains of a turtle which when alive must have weighed fully 5,000 pounds. Mr. Wieland secured this pre-historic specimen on a recent paleontological expedition through the Black Hills of Dakota.

—Leroy Scholl, '01, spent Tuesday and Wednesday, Feb. 3d and 4th, at the college visiting old friends. Mr. Scholl has recently entered into a contract for one year as head of a copper mining enterprise in Holmes, Wyoming.

—E. S. Erb, '01, located at Bellefonte, spent Sunday, Feb. 1st, with his mother in this borough.

—A letter received at the college Feb. 10th announced that W. H. Landis, '02, was spending a three weeks' vacation with his people at Lancaster.

—January 6th State undergraduates, alumni and prospective students from Scranton and vicinity banqueted at St. Luke's Parish House in that city. The party included S. B. Grindlay, '02, R. T. Strohm, '98, both now with the International Correspondence School; Prof. Stoek, formerly in the mining department at State, now connected with *Mines and Minerals* published by the International Correspondence School; Messrs. Barnes and Biesecker, '04; S. M. Ridenour, A. W. Philips, C. L. Griffin, C. J. Corse, E. M. Taylor, W. W. Berry, K. S. Hughes, D. O. Williams, M. S. Roper, V. E. Taylor and E. L. Rafter, '06, and about twenty-five prospective candidates for admission to '07. Prof. Stoek presided, and a splendid time was enjoyed by all.

It is with the deepest and sincere regret that we have to report the death of Alfred T. Holloway, '02. On January 30th, while Mr. Holloway was engaged in some experiments in the testing department of the General Electric Company at Schenectady, he came into contact accidentally with the a live
