

Another election will be held May 18th for the election of a Vice-President, Secretary, Assistant Foot Ball Manager and a third Director, as no candidate for these offices received a majority vote.

—The Scrubs defeated the town picked nine Saturday by the score of 10 to 2.

—Prof. Jackson entertained the Electrical Engineering Society Wednesday evening at his home.

—C. W. Rogers, of Warren, now holds the college record for the 440-yard dash. The old record was made by F. A. Kaiser, '98; time, 52 1-5 seconds, and has stood for several years. The new record is 52 seconds flat.

—C. N. Norris, of New Castle, until recently a member of the Junior class, has discontinued his studies in order to take a position as first assistant chemist in the Carnegie Steel Works at New Castle. The position pays well and gives a good chance for advancement.

—A. L. Cromlish, State, '97, with the Shenango Valley Steel Company as chemist, has recently been promoted to the position of superintendent of furnaces.

—Prof. Chas. S. Griffin, who gave up his position here last June to accept the chair of Applied Sciences in Syracuse University, has resigned.

—The Natural History Club has elected the following officers: President, N. G. Miller; Vice-President, P. O. Noble; Secretary, R. D. Barclay; Treasurer, L. R. White; Directors, Prof. H. A. Surface, Ed. Saums and W. R. McConnell.

—C. S. Freeman, '03, Pittsburg, has won half the prize offered by the Pennsylvania Historical Society, of New York, for the best essay submitted on the early history of this State. Competition for this prize is open to Seniors in the University of Pennsylvania, State College, Western U. of P., Lafayette and Dickinson. The prize is \$100 and was won last year by State men,
