

—Prof. and Mrs. Jackson, assisted by Miss Jones, also gave a Hallowe'en party for the senior and junior electricals.

—The Sigma Chi fraternity gave a smoker on Friday evening, October 30th, at their chapter house. Quite a number of the professors and other fraternity men were present.

—The "stag" dance in the armory to celebrate the great victory of the foot ball team over Annapolis was very largely attended. The playing of the band was not up to its usual standard, and there seemed to be a general lack of the spirit which in the past has gone to make these affairs so spontaneously enjoyable. It is to be hoped that in affairs of this kind in the future the fellows will get together and generate a little more spirit.
