

caught the kickoff at center, and ran back to State's 30 yard line. Then Yale used Hogan in tackle back play till near the line. Here the ball was given to Metcalf, and he scored. This ended the score.

STATE, 59—UNIVERSITY OF PITTSBURG, 0.

The Western University of Pennsylvania was as easy for State at Pittsburg, Saturday, October 24th, as Dickinson Seminary was earlier in the season. The Wups were clearly outclassed. They did not seem to understand the "helping game." When a Western man was tackled he was right down, but a State player always managed to make a few more yards. On the part of the Blue and White there was little individual play and good team work. During the last few minutes of play the team put up the best foot ball of the season to date. The score, 59-0, was made by ten touchdowns and nine goals.
