

Any State man who wins his "S" is eligible to the fraternity. The officers are J. H. Arbuthnot, '04, President; J. D. Elder, '04, Vice President; H. C. McIlveen, '06, Secretary, and E. G. Yeckley, '06, Treasurer. The charter membership numbers thirty-two.

—Among the new apparatus recently placed in the Electrical Laboratory are a potentiometer and a photometer, both furnished by Leeds, Northrup & Co., of Philadelphia. The potentiometer is employed for the purpose of standardizing battery cells and calibrating ammeters and voltmeters. The purpose of the photometer is to find the candle power of incandescent and arc lights. It is equipped with a Lummer and Broadhun's screen.

—An extra room in the Chemistry Laboratory has been equipped for qualitative work to accommodate the large number of Freshmen.

—Rev. W. F. D. Noble, of Snyderstown, delivered the regular Sunday sermon in the Auditorium.

—Donald Derickson, a graduate of the Thayer School of Civil Engineering, of Dartmouth College, has been appointed Assistant in Civil Engineering. Mr. Derickson comes directly from practical work with the Berlin Construction Co. He was also for some time employed with the U. S. Coast and Geodetic Survey. He is a native of Meadville, Pa.
