BASE BALL.

State's base ball team has been somewhat handicapped this spring by being unable to meet on the diamond on account of the cold, wet weather. Nevertheless, indoor work was steadily kept up under the direction of Coaches, D. O. Williams and Mr. Golden, and a few afternoons on the field made clear to Capt. Elder that he had a nine which would do as good work as any team in the history of State. Every man was in his place, doing his very best, so that this season may end with the most brilliant base ball tabulations on the college record.

The season opened in a practice game with Bellefonte Academy on April 9, amidst the inclemency of a cold rain. The game was called at the close of the third inning on account of the disagreeable weather. The score was 3 to 0 in favor of State.
