

THE EASTERN TRIP.

State's base ball team started on its Eastern trip, the first of the season, on Friday morning April 15th. The nine crossed bats that afternoon with Bloomsburg Normal. The weather was fine, and both teams went forth with equal self-confidence, but the pitching of Haverstick, and his excellent all round support, soon told that the visitors would be the victors. Different times, when two men were on bases, and but one out, the cool headed "midget" sent the ball meandering over the plate to the utter disgust of the batters. The score:

On the following day, Saturday, April 16th, the State team met the West Point nine, by which they were defeated by a close score of 1 to 0. The day was cold, and a strong wind blowing down the Hudson added to the disagreeable weather. The good pitching of McIlveen, in keeping the number of hits down to two, was the main feature of the game. The losing of the game may be attributed to poor base running and a wild throw by Mason in the ninth inning, which was caused by his having been hit on
