

## FOOTBALL.

STATE, 50—ALLEGHENY, 0.

The game last Saturday between State's team and that of Allegheny was nothing short of a foot race. From one end of the field to the other the teams moved about as fast as they could run. Touchdowns were made inside of twenty seconds after the kick-off. Capt. Forkum caught the ball behind the goal post and ran the full length of the field for a touchdown. Saunders made a similar run. The line had scarcely any work to do. The game was too easy to be of any value to our team. It is all told by the remark of a Freshman on the side-line, "I would sooner drill than watch this game." Allegheny did not have half the team of last year. A strong wind across the field made goal kicking almost impossible. The line-up:

STATE.	POSITION.	ALLEGHENY.
Leathers, (Barr)	l. e.	Ginn
Smith	l. t.	McQuiston
White	l. g.	G. Hobson
Wray	c.	(Thomas) Scott
Woodward	r. g.	Shields
Hughes (Moscrip)	r. t.	W. Hobson
Moorehead (Ferguson)	r. e.	Aiken
Saunders (Hornhart)	g. b.	(Capt.) Davenport
Yeckley (Partridge)	l. h-b.	(J. Elbert) Russell
Fawkes (McGee)	r. h.	(Smith) Evans
Forkum (Capt.)	f. b.	(Comfort) Giles

Touchdowns—Forkum (5), Partridge, Yeckley, Fawkes; Saunders. Safety—State. Goals from touchdowns—Forkum (2), Moscrip (1). Referee—Dr. J. Robinson. Umpire—Dr. F. Robinson. Time of halves—20 and 10 minutes.

### THE GAME WITH YALE.

The coaches seem cheerful over the prospect for next Saturday's game. They feel confident that the team will give Eli's men a hard game. Campbell is out of the game at end; Dunn has not been in practice on account of his shoulder, and Barr has a bad hip. But with these exceptions the men are in good condition and are playing fast ball.

Yale is working hard to get her team in shape. Nine coaches were busy on the field last week. They claim that the team is not in good condition but there is plenty of

good material. Hogan, the captain, is not up to his standard. Shevlin has been taken from end to play at fullback, and Rockwell will probably play at quarter. Yale has a two hundred pound line to pit against ours of one hundred and seventy-five. Coach Golden says that it is usual for Yale to buck the line but that they will probably try end runs more this year.

The game last Saturday was as unfortunate a thing as could have happened to the White and Blue. The coaches are agreed that such a game tends to disorganize the team. Each man should have had an opponent that would have required all his attention to handle instead of the weak opposition that allowed all kinds of loose play. A hard game would have brought out the weaknesses to be remedied in this week's practice and made better team work possible. But with all this disadvantage the Varsity will give Yale a strong fight.

### THE COLLEGE TEAM SCHEDULES.

The following schedule has been arranged by manager Bair for the College team:

Thanksgiving Game, Thursday, Nov. 24th, State vs. W. U. P., at Pittsburg.

## FIELD NOTES.

"Jack" Dean is here this week coaching the College team.

Dunn was in the practice Tuesday evening. He will be at Center on Saturday.

At present speed is the point aimed at by the coaches—a fast start and a quick succession of plays.

Don't put off preparation for the Williamsport game until the last minute. It is only five weeks away.

There were not quite forty students watching practice last Monday evening. Was it too cold for the little boys?

The College team is a good one this year. The Varsity has been kept busy to hold its own against it. Last Tuesday's practice scrimmage was a hard one and the College team had the best of the game.
