## STATE DEFEATS U. W. VA.

In a very interesting game the Varsity defeated the University of West Virginia team here last Saturday. The visitors came with a good reputation and the uncertainty felt by many with regard to the result drew a large crowd to Beaver Field.

The teams lined up shortly after 3 p. m. The West Virginians kicked off and got down the field very quickly. State gained but the ball changed hands and see-sawed back and forth for some time before Smith went over for the first touchdown. Forkum missed the goal. He then kicked off well down the field to Hineman. The Virginian made a very neat pass to Capt. Martin and continued across the field. It took the team some time to discover Martin well on his way for a

touchdown. Saunders was his only obstacle. State's quarter made a good attempt to stop the ball at the center of the field but Martin had good interference by this time. Saunder's tackle, however, retarded Virginia's captain enough to enable the fleet-footed Smith to overtake and down him on State's 25-yard line. This danger past the Varsity showed how they felt their loss by the determined way they handled their opponents. Two more touchdowns were made in this half, Smith carrying the ball over, and Forkum kicked the goals.

In the second half Fawkes was replaced by McGee. An injured knee was the cause of this substitution. In spite of the stubborn defence of West Virginia touchdowns were made by Forkum, Partridge and Moorehead. Two goals were kicked and the final score stood 34-0.

The whole team played a helping game. The man with the ball was often dragged 5 yards after he was tackled. West Virginia was plucky and had plenty of spirit until the end of the game. Her men were very frequently laid out. Fumbling was more frequent than usual on our side. Forkum played an all-round defensive and offensive game. Smith seemed to be the best ground-gainer of the day. He and Wray were a formidable pair of tackles. White and Dunn opened the line whenever called upon. The spirit of the whole team was very gratifying to State supporters.

Moscript and Yeckley were on the side-lines as the result of injuries received in the Yale game. The line-up:

## Y. M. C. A.

At the Bible and Mission Studies' Institutes held at Bucknell University last Saturday and Sunday, State was represented by C. F. Noll, A. L. Ferfer, J. W. Bartlett and the general secretary.

Dr. C. H. Haas, graduate of the Medical department of the University of Michigan, who is traveling in the interest of the student volunteer movement, will visit State Oct. 25-27. He will address the student body on the subject of medical work in non-christian lands. To the State men who heard Dr. Haas at the summer conference this year he will need no introduction. His message is thrilling in interest.

Mr. Gilbert A. Beaver, '90, has become general secretary of the Columbia University Association.

A number of State Colleges and Universities are providing special buildings for the use of their associations. The University of North Carolina is putting \$12,000 in a building. The University of Virginia will have a \$60,000 Association building, the gift of Mrs. William E. Dodge. At the State College of Iowa \$50,000 will be spent for a similar purpose.

Mr. A. B. Williams, Jr., who was always heartily welcomed upon his visits at State has become secretary of the Central Department of the Cleveland Y. M. C. A.
